Covers containing tenders should be addressed to the Deputy Conservator of Forests, Coorg, Mercara, and duly registered and superscribed "Tender for Timber".

3. The Deputy Conservator of Forests will be at Periyapatam on the 16th September 1904, for the purpose of allotting timber amongst tenderers, who are recommended to be present or be presented by duly accredited agents on the occasion, when the locality of logs or other information relating to accepted tenders may be obtained.

4. The Deputy Conservator of Forests does not bind himself to allot timber for the whole or any portion of any tender and he is at liberty to dispose of the whole or any portion of the supply available, previous to allotment, should this course prove to be advantageous in the interests of Government.

5. In the interests of fire conservancy the forests will be closed against the removal of timber in the fire season, which, it may be stated for the information of intending purchasers, is generally a period varying from 6 weeks to 2 months commencing from about the middle of February; but is liable to be reduced or extended according to the character of the season. Certain depots in or adjoining the forests will, however, be set apart and remain open throughout the whole of this period for the removal of timber for the convenience of those purchasers who may choose to collect timber therein in order to avoid the inconvenience of an interruption of their transport operations during the fire season.

6. The rates and conditions of sale are regulated by Notification No. 53, dated 7th September 1903, of the Chief Commissioner of Coorg, for copy of which or further information apply to the undersigned.

Note.—Any tenders made after 1st September 1904 will be subject to a late fee of 1 anna per rupee of value of tender.
